The official newswire of the Greater Waldorf Jaycees

From the Treasurer's Desk:

The first half of the year is over. I will be closing the books on any projects completed prior to July 1, 2008. If you have any receipts for projects completed within the first half of the year and for which you would like reimbursement, you **MUST** submit the receipts by the start of the General Membership Meeting on Monday, July 28th. This is an extension from what was previously announced. After this point, we will revert to the previous policy. To reiterate from January, all receipts and requests for reimbursement must be submitted within 30 days of project completion or reimbursement will not occur. Any questions regarding this policy should be addressed to the Treasurer directly. Thank you.

Jocelyn Wright - 2008 Treasurer

Editor's Note:

My apologies to Jocelyn and you the chapter. Joceyln actually sent this to me on July 21st; however, I lost it within my own e-mail, so it is coming to you late. Again my apologies!
