The official newswire of the Greater Waldorf Jaycees

We held Casino on September 5th & 6th and had a steady stream of players. Several Jaycees came out to volunteer their time. It is always nice to have the "regulars" that show up month after month and also the newer Jaycees that are learning what it is all about. Even though it was her birthday on Saturday, that didn't stop Darlene from working the window! That just shows what a dedicated volunteer she is! This month we made, after all was said and done, \$14,804. Great job from everyone!!! Now that summer is winding down more players are starting to show up to play. For us that means we are hoping to see those that can find time to come out next month, whether for a few hours one night or both nights. We always appreciate the help. If you are interested in helping but not sure if you're ready to be on your own, we will hold dealer training at 7pm. on both nights. Come out and learn or practice your skills. Hope to see everyone there!

Chairman - Ann O'Hara & Mike Lukas

Stacey Crowe

Just wanted to remind everyone about the upcoming Jaycee Bingos. The dates are as follows:

- 9/16
- 9/21
- 9/30

**Everything
to Christ in
prayer**

Janine Daniels' Mom passed away this past Saturday. Services will be held in Texas, but we will be sending flowers. Please keep Janine and her family in your thoughts and prayers.

Also, Darlene Maher (Elaine Maher's sister) has cancer and is going through chemotherapy. Please keep her in your prayers as she goes through her lengthy treatment!
